This Policy strives to minimise risk and support our venue, programmes, events and individuals to deliver and experience a positive tennis experience for everyone. The Reporting Procedures in page 2 outlines how to respond to safeguarding or discrimination concerns/disclosures.

Glossary of Terminology

We have adopted the following definitions to explain our approach to diversity and inclusion in tennis:

Discrimination – treating someone in a less favourable way and causing them harm, because of their age, disability, gender reassignment, marriage or civil partnership, pregnancy or maternity, race, religion or belief, sex or sexual orientation

Diversity – acknowledging, celebrating and respecting the differences between groups of people and between individuals. We will work to ensure that people can be assured of an environment in which their rights, dignity and individual worth are respected, and in particular that they are able to enjoy their sport without the threat of intimidation, victimisation, harassment or abuse.

Harassment – unwanted conduct related to a relevant protected characteristic, which has the purpose or effect of violating an individual's dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for that individual or creates an intimidating, hostile, degrading, humiliating or offensive environment. The focus is on the perception of the complainant not the intent of the perpetrator. Employees can complain of behaviour they find offensive even if it is not directed at them.

Inclusion – ensuring that tennis is equally accessible to any member of the community so they can be fully involved in whatever capacity they choose; and that they are supported to achieve their potential in any capacity e.g. player, employee, volunteer, coach or official. We will work to ensure that people have a genuine and equal opportunity to participate to the full extent of their own ambitions and abilities, that they feel respected and valued and are not singled out, with regard to their age, disability, gender reassignment status, sex, marital or civil partnership status, pregnancy or maternity, race, sex, sexual orientation, religion, race or sexual orientation, socio-economic status or any other background.

Positive action – Southend LTC is committed to taking positive steps to counteract the effects of physical or cultural barriers – whether real or perceived – that restrict the opportunity for all sections of the community to participate equally and fully. We will ensure that we institute, support or contribute to appropriate measures or initiatives that enable access to tennis and participation in associated activities by people from any group that is under-represented in tennis or has difficulty accessing it and that they can do so with dignity or without being singled out.

Our Whistleblowing Policy

At Southend Lawn Tennis Club (SLTC), Safeguarding children and adults at risk requires everyone to be dedicated to the highest possible standards of openness, integrity and accountability. As a club, we are committed to encouraging and maintaining a culture where people feel able to raise a genuine safeguarding concern and are confident that it will be taken seriously.

What is whistle blowing?

In the context of safeguarding, “whistle blowing” is when someone raises a concern about the well-being of a child or an adult at risk.

A whistle blower may be any of the following:

- a player;
- a volunteer;
- a coach;
- other member of staff;
- an official;
- a parent;
- a member of the public.

How to raise a concern about a child or an adult at risk at the club

If a child or an adult at risk is in immediate danger or risk of harm, the police should be contacted by calling 999.

Where a child or an adult at risk is not in immediate danger, any concerns about their well-being should be made without delay to the Club Welfare Officer (Anne-Marie Driscoll). The Club Welfare Officer will pass the details of the concern on to the LTA Safeguarding Team at the earliest opportunity and the relevant local authority and the police will be contacted, where appropriate.

If, however, the whistle blower does not feel comfortable raising a concern with the Club Welfare Officer, the whistle blower should contact the LTA Safeguarding Team directly on 020 8487 7000, the Local Authority Designated Officer (LADO) or the NSPCC on 0808 800 5000.

The Club Welfare Officer, Anne-Marie Driscoll, can be contacted at: anne-mariedriscoll@blueyonder.co.uk

Information to include when raising a concern

The whistle blower should provide as much information as possible regarding the incident or circumstance which has given rise to the concern, including:

- their name and contact details (unless they wish to remain anonymous);
- names of individuals involved;
- date, time and location of incident/circumstance; and
- whether any witnesses were present.

What happens next?

All concerns raised by a whistle blower about the well-being of a child or an adult at risk will be taken seriously and every effort will be made to deal with each concern fairly, quickly and proportionately.

If the whistle blower does not believe that the concern has been dealt with appropriately and wishes to speak to someone outside the club or the LTA Safeguarding Team, the NSPCC Whistleblowing advice line should be contacted on 0800 028 0285 or by emailing help@nspcc.org.uk

Support

The club will not tolerate any harassment, victimisation or unfair treatment of any members or staff, and will take appropriate action to protect, whistle blowers when they raise a concern in good faith.
